February 2019

To Whom It May Concern,

Please be advised that Never Alone Again (NAAG) is opening up its doors to the Community-At-Large, for the purposes of 2019 membership. Never Alone Again (NAAG) is an organization that is dedicated to ending domestic violence & abuse and providing resources in our community. To that end, we offer workshops, seminars, programs, support groups, classes and community outreach events that benefit victims and survivors of domestic violence abuse and families in-need. Part of the work we do is to keep women and children safe. Our belief is *“Every woman and child deserves and has the divine right to live an abuse free life”*. How we accomplish that is to help our community become and remain safe from violence and abuse. To illustrate how serious the issue of Intimate Partner Violence (IPV) is here are some statistics:

DOMESTIC VIOLENCE STATISTICS
FACT: Every 9 seconds, a woman in the US is beaten
FACT: Globally, at least 1 out of every 3 women has been beaten, coerced and/or forced into sex and sexually abused in her lifetime, most often by a family member
FACT: Domestic violence is the leading cause of injury to women (more than car accidents, muggings and rapes combined)
FACT: Studies suggest that up to 10 million children witness some form of domestic violence in the home annually
FACT: Nearly 1 in 5 teenage girls who have been in a relationship said a boyfriend threatened violence and/or self harm if breakup is suggested
FACT: Everyday in the US more than 3 women are murdered by their husbands or boyfriends. There have been several motion pictures and made-for-TV productions with this theme
FACT: The cost of Intimate Partner Violence (IPV) in the US alone exceeds \$5.8 Billion per yr \$4.1 Billion for direct medical and healthcare and \$1.8 Billion for productivity losses from work
FACT: Based on reports from 10 countries (including the US) between 55% and 95% of women who had been physically abused by their partners had NEVER contacted non-governmental agencies, shelters, law enforcement/police for help or assistance
FACT: The ONLY way to stop Domestic Violence in our community is to get involved!

Never Alone Again is dedicated to developing and maintaining programs, resources, information, and services to support the elimination and prevention of Domestic Violence and abuse.

As you can see the above chart indicates how pervasive the problem is and how much work there is to do. How can you help us? Become a member of Never Alone Again (**NAAG**).

Get involved and donate your time, talent and treasure. Volunteer to help and give what you can. Remember, we are a non-profit organization so every dollar you donate helps to keep a woman safe and is tax deductible. To help offset the cost of running the organization we have included Membership Enrollment Form.

We understand that the need is great and with our country's current fiscal crisis, it is challenging to find funding options. However, we hope that you will help us provide safety to women, children and families in our community. We can only make it if we ALL do our part to help out. We look forward to our community partnership with you and hope we can count on your support.

Thank you for taking time to review our correspondence. Thank you in advance for the help that I know we will receive from our community partners and friends. You have our eternal thanks, gratitude and respect.

For further information about **NAAG** and our up-coming events please visit: www.neveraloneagain.org or email us at: neveralonagain@gmail.com.

Continued success,

Theresa Johnston
